

Course overview

Do you want to study in the UK? Discover the secrets to write a personal statement, interview techniques and a bundle of study skills to make your journey a big success!

You will learn about the UCAS application process, how to structure a personal statement- style, tone and content- and do several practice interviews. Experienced trainers will give you detailed feedback and plenty of opportunity to master these skills.

If you are serious about studying in the UK and want to make the best application, this is the course for you. During your stay you will interact with students from around the world who are in the same situation as you.

You will also develop a complete range of skills needed for the entire university journey
